(Updated 3/21/2023)

*Based on the results of a survey conducted to poll school families and staff, Monday, April 10 will be a regular school day. While Monday, April 10 was originally scheduled to be the last day of Spring Break, we are now using that day as a snow day makeup day as an alternative to adding school days to the end of the calendar in June.

If we accumulate any more emergency closures (such as snow days), and the Michigan Department of Education does not grant waiver requests for additional forgiven time, we will need to add days to the end of the calendar in June.

Please contact the school office with any questions or concerns.
